Water/Sewer e-Billing Registration Form

The Village of Coxsackie is now offering a free water/sewer e-Billing option to customers with water/sewer billing accounts. With this service customers can opt out of receiving a paper bill through the mail and instead elect to receive a water/sewer bill notification via e-mail. We also allow the option to receive both e-bills along with the standard paper bill.

To get started, simply fill out and return the authorization form on the second page or email nbereznak@villageofcoxsackie.com with your full name(s), address(s) and account number(s). Customers may sign up more than one water/sewer billing account for e-Billing.

Choosing to sign up for e-Billing will not affect the way you pay your water/sewer bills. Customers will continue to have the following options for payment: Cash, Check, Debit/Credit, Online Banking and EFT.

If you ever decide to stop the E-Billing Notification service, simply e-mail your request to: nbereznak@villageofcoxsackie.com or contact the Village of Coxsackie Office at (518) 731-2718.

PLEASE NOTE:

If you change your email address, you will be responsible for contacting the Village of Coxsackie Office with your new information. Non-receipt of your e-bill is not justification for late payment and penalties will apply, as well as standard non-payment water shut-off procedures.

All quarterly billings will be electronically delivered to the email address you provide by the 15th of Jan, Apr, July and Oct. If you do not receive your e-bill by these dates or have further questions about water/sewer e-billing, please contact the Village of Coxsackie Office at (518) 731-2718
