Dear Friends:

Christmas By The River 2021

The Christmas By The River Committee 2021 has begun planning for this years event on Sunday December 5th. Our mission is to keep our vendors and guests safe and healthy so this year's event will be essentially outdoors with some local shops being open. We are getting prices on securing a few large tents with heat to bring the vendors outdoors, and we are also assuming some vendors can supply their own tents. This event is family friendly and highlights many area artisans, vendors and local eateries. All participating vendors and crafters will comply with no political merchandise at all. We are celebrating the holiday season. We are trying to get a head count for the amount of tent space we will need so your cooperation is necessary. Any questions please feel free to contact me.

Warm Regards:

The Christmas By The River Committee
