### **Village to Hold Virtual Open House for Waterfront Revitalization.**

Coxsackie, N.Y. – As part of the Local Waterfront Revitalization Program (LWRP) planning process, the village of Coxsackie will launch a virtual open house on January 12<sup>th</sup> and be available through February 5<sup>th</sup>. The LWRP is a partnership between the village and the New York State Department of State that explores strategies and projects to address issues and opportunities associated with the Village's location on the Hudson River. Funding for this project has been provided by the New York State Department of State under Title 11 of the Environmental Protection Fund.

The virtual open house provides information about the LWRP and seeks public input on proposed projects designed to advance waterfront development, economic development, environmental issues, parks and recreation, and tourism. The public is encouraged to participate in the virtual open house by visiting <https://www.surveymonkey.com/r/TZMB8VP>.

**Event:** Local Waterfront Revitalization Program Virtual Open House
