3/1/2023

Hello,

As we have all enjoyed the rebirth of our historic downtown, we wish to bring the same exciting energy to our beloved Riverside Festival. As we begin the planning of this year's 2023 Coxsackie Riverside Festival, we would like to introduce ourselves as the new Coxsackie Riverside Festival committee. We are Coxsackie born and raised residents, who are excited to honor Festival traditions, as well as establish some new ideas for this year. We are highly energetic and motivated to keep the hometown feel we are all accustomed to, while providing a great event for our community.

We have a very exciting event planned and are asking our local businesses for support. The festival will be held on **Saturday, September 16, 2023**, from **11am-9pm**. Your donation will help support many aspects of the festival. **FIREWORKS** are back and we need your help to make them amazing. There will be other equally important and exciting events, including, but not limited to, apparel, entertainment, exciting new band lineup, children's events, and other performances throughout the day.

Sponsor Levels: (Any donations are greatly appreciated)

\$100.00 – Recognition on festival T-Shirt (we are bringing it back!)

\$500.00 – Recognition on festival T-shirt, festival signage/advertising and social media.

\$1,000.00 - Recognition on festival T-shirt, festival signage/advertising, social media, and logo on water bottles to be handed out during the festival.

We sincerely appreciate your support of this community event and hope you can come see us in September! **Deadline for donations in order to be included on donor items is June 30th.**
